## GRIP LEADERSHIP

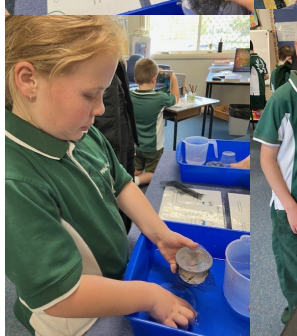

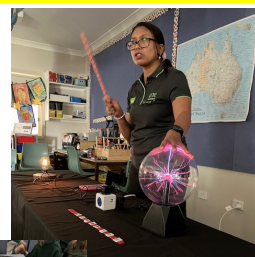

On Tuesday Mrs Teague, Vivian and I went to Tamworth for the Grip Leadership Day and it was really fun. We had front row seats. We got to go up on stage for many things like questioning challenges. We got to learn about different kids in Australia that have made things for the community. One child even made a spaceship out of cans and recyclables and it was really cool. At the end there was a Q&A. Vivian got to ask a question.
