“Excellence in Learning”

Term 4 Week 9 and 10 - 18th December,

Welcome to the last day!

As we approach the end of another school year, I would like to take a moment to reflect on our achievements and express my heartfelt gratitude to each member of our school community. This year has been filled with challenges, growth, and countless memorable moments. Our students have demonstrated remarkable resilience and enthusiasm in their learning, showcasing their talents in various academic, artistic, and sporting endeavours. It has been inspiring to witness their growth and accomplishments.

We have had swimming and athletics carnivals with children reaching the Zone and Regional levels, and others competing for the very first time. We have enjoyed academic days such as Blackville Spelling Bee, Multicultural Public Speaking and had a record number of students participate in ASCA. All students enjoyed the school excursions, with many mentioning it as a highlight of the year. We have participated in Book Week, Science Week and NAIDOC Week. We have embraced learning with all children achieving great success at their level. Congratulations to all our Wallabadah students.

I would like to extend a special thank you to our dedicated teachers and staff, whose unwavering commitment and passion for education have made a significant impact on our students' lives. Your hard work and creativity have fostered a nurturing environment where every child can thrive. To our parents and guardians, thank you for your ongoing support and partnership. Your engagement in your child's education is invaluable, and together we have created a strong community focused on the success and well-being of our students.

As we look forward to a well-deserved break, let us celebrate the achievements of this year and the wonderful community we have built together. I encourage everyone to take this time to relax, recharge, and enjoy the company of family and friends.

Wishing you all a safe and joyful holiday season. I look forward to welcoming everyone back for another exciting year ahead!

Johanna Teague—Principal

Wallabadah Public School Presentation Day

CONGRATULATIONS
