CAPERS

Congratulations to all of the Wallabadah students who did an amazing job at CAPERS last week. Our students represented our school incredibly with their fantastic attitude and awesome singing. A big thank you goes to the students for working so hard to learn the 22 songs they performed. Another huge thank you goes to all the parents who supported us throughout the months & weeks leading up to the performances; from handing in the many notes, organising costumes, purchasing tickets and generally being so supportive.

School Magazine – Expression of Interest Notes

Thank you to everyone who has returned their Expression of Interest note for the Wallabadah School Magazine. Just a reminder, if you are interested in purchasing a copy, please return your note **no later than Wednesday, 13th November**. The School Magazine is looking fantastic and will be sent to the printers very soon.

Student Medical Forms - PLEASE RETURN ASAP

During Term 3, we began updating our medical records to ensure we have the most up-to-date information relating to your child's health. **This information is a mandatory requirement of the Department of Education and Communities.** Each family is required to return this form regardless of what year they are in at school or if there has not been any change in their previous medical condition/s.

If you require additional forms, please let Jaime know. We appreciate your support as we finalise this information.

Milo in2CRICKET

The students learnt some fantastic skills on Monday at the Milo in2CRICKET clinic.

Sun Safety

As the weather warms up, please ensure that you send your children to school with their hat, sunscreen and plenty of water. We do have sunscreen available for students throughout the day but please make sure they arrive to school with some sunscreen on.

This spring has seen temperatures soar. A new information pack with the latest advice on sun safety is available for schools and parents.
